

22ND EDITION OF THE CITADELLES DU VIN Winners of the 2022 competition

Citadelles du Vin
2022

Jean-Philippe PRICART
President of the Citadelles du Vin

Held from 12 to 14 March 2022 at Bourg-sur-Gironde near Bordeaux, the 22nd Citadelles du Vin competition has just drawn to a close. High-level winners received awards following tastings that were organised in almost “normal”, pre-COVID conditions for the first time since 2019.

The 2022 Citadelles du Vin competition welcomed 40 jurors of 21 nationalities to taste 831 samples from 24 countries over three days. The tastings resulted in the awarding of 15 Special Prizes, as well as 232 Gold and Silver medals (76 Gold).

This year's competition was marked by the significant participation and fantastic results of winegrowers from North Macedonia, the guest of honour, who received 21 medals, including 2 Special Prizes. The Master Class organized around Vranec, the signature grape of the North Macedonian vineyard, was a great moment of discovery for all tasters and guests.

Created in 2000 by the C.D.V. (Concours Des Vins) with the aim to showcase the diversity and quality of wines from all over the world, the Citadelles du Vin competition is part of VINOFE^D* and is supported by the O.I.V. (International Organisation of Vine and Wine). This double patronage is a guarantee of reliability and quality, both for the competition and its winners.
